

Overview

Updated 01/09/2015. Version 10.3

Use these instructions to access the D2L system (SIUonline) and find your course.

How to Access Your Courses

Go to online.siu.edu.

In This Guide

Logging In

Finding Your Course

For more D2L resources, go to <http://cte.siu.edu/idblog/instructor-resources/d2l-resources-instructors/>.

Logging In

1. In your web browser, go to online.siu.edu (Figure 1).

Note: Mozilla Firefox is the recommended web browser for using D2L.

2. Click **SIU Account Login**.

If you are using a computer on the SIU campus network and have already logged in to that computer, you will be automatically redirected to your D2L homepage.

If you are not using a network computer, you will be redirected to an additional login screen.

1. Enter your @siu.edu email address or your siu85xxxxxxx number and NetID password.
2. Click **Sign In**.

Note: If you do not have a NetID but have been given a D2L login and password, enter that information in the spaces provided at online.siu.edu, and click Login.

Finding Your Course

After you have logged in, your courses will be listed in the "My Courses" widget on your D2L homepage. Courses are grouped by semester (Figure 2).

1. To display only courses for a specific semester, click the "Semester" drop-down menu to select a semester.
2. Click the name of a course to access it.
