Center for Teaching Excellence General Access Technology Enhanced Classrooms

Here is a list of all classrooms maintained by the CTE organized by building. On the following page, classrooms are organized by the size and type of system in the classroom.

- **Agriculture**
  - 102, 114, 116, 152, 153, 166, 168, 170

- **Applied Sciences & Arts**
  - 118, 118C

- **Communications**
  - 1006, 1018, 1020, 1022

- **Engineering A**
  - 111, 207, 208, 210, 219, 220, 222, 308, 310, 319, 320, 322, 408, 410, 420, 422

- **Engineering D**
  - 131, 132

- **Faner**
  - 1004, 1005, 1222, 1224, 1226, 1228, 1230, 1326, 1526, 2008, 2073, 2079, 2083, 2205, 2206, 2525, 3512, 3514

- **Lawson Hall**
  - 101, 121, 131, 141, 151, 161, 171, 201, 221, 231

- **Life Science II**
  - 113, 119, 430, 450

- **Lindegren**
  - 133

- **Morris Library**
  - 652, 654, 677, 680, 610A, 752, 754

- **Neckers**
  - 218, 240, 410, 440

- **Parkinson**
  - 107, 108, 124, 202

- **Pullium**
  - 34, 35, 37, 39, 41, 42, 53, 59, 112, 118, 119, 151, 152, 161, 162, 163, 164, 208, 214, 253, 253A, 256, 267, 310, 318

- **Quigley**
  - 140B, 201, 203, 208, 306

- **Wham**
  - 105, 203, 205, 206, 301B, 302, 303, 305, 306, 307, 312, 317, 328

Inventory of General Access Classrooms Supported by CTE

General access classrooms are scheduled centrally through the Registrar's Office. They are available to every academic unit on the Carbondale campus. CTE supports these learning spaces with simple yet powerful presentation systems, as well as responsive technical assistance.

(90) Essential Instructional Technology (EIT) Classrooms:

CTE's small classrooms are equipped with uncomplicated presentation systems that serve every academic discipline and pedagogical style. These essential systems include laser projectors, multimedia playback, document cameras, simple control systems, and laptop connectivity.

- *Agriculture* 114, 116, 152, 153, 166, 168, 170
- *Communications* 1006
- *Engineering A* 207, 208, 210, 220, 222, 308, 310, 319, 320, 322, 408, 410, 420, 422
- *Engineering D* 131, 132
- *Faner* 1004, 1005, 1222, 1224, 1226, 1228, 1230, 2008, 2073, 2079, 2083, 2205, 2206, 2525, 3512, 3514
- *Life Science II* 113, 119
- *Morris Library* 652, 654, 677, 680, 610A, 752, 754
- *Neckers* 218, 410
- *Pullium* 34, 35, 37, 39, 41, 53, 59, 112, 118, 119, 151, 152, 161, 162, 163, 164, 208, 214, 253, 253A, 256, 267, 310, 318
- *Quigley* 201, 203, 306
- *Wham* 203, 205, 206, 301B, 302, 303, 305, 306, 307, 312, 317, 328

(13) Advanced Instructional Technology (AIT) Classrooms

Some courses require more powerful presentation technology than an essential system provides. CTE's advanced systems include laser projectors, multimedia playback, document cameras, expanded control systems, laptop connectivity, computers with lecture capture and active learning capabilities, and annotative touch displays.

- *Applied Sciences & Arts* 118, 118C
- *Communications* 1018, 1020, 1022
- *Engineering* A219
- *Faner* 1326
- *Life Science II* 430, 450
- *Parkinson* 107, 108, 202
- *Quigley* 208

(20) Large Auditoria

CTE provides outstanding presentation systems in several large auditoria on campus. Each of these systems is designed around advanced instructional technology, though some are additionally equipped with high-definition lecture cameras (denoted with an asterisk) or spatial audio systems (denoted with a double asterisk).

- *Lawson Hall* 101, 121, 131, 141*, 151*, 161*, 171**, 201, 221, 231
- *Agriculture* 102
- *Parkinson* 124*
- *Engineering* A111
- *Faner* 1526**
- *Lindegren* 133*
- *Neckers* 240*, 440
- *Pullium* 42 - Currently Offline (no tech)
- *Quigley* 140B
- *Wham* 105
