

Dr. Abby Razer is a highly motivated and determined individual committed to elevating her leadership skills. She is a repeat graduate of SIU: she has master's and Ph.D. degrees from the university.

Abby uses her skills to support and inspire faculty as an instructional designer for CALPS, SOE, COBA, and the School of Law.

Abby has been a valued member of The Office of Information Technology since 2009, progressing through the organization to lead the SalukiTech Solution Center. Those skills have now carried over and grown into the administration of D2L Brightspace, SIU's Learning Management System. Additionally, Abby is thrilled to be a member of the Chancellor's L.E.A.D. Team for 2023-2024.

Abby's personal interests include dog sports, cooking, and reading.
