

LUCAS LUPER

Lucas Luper is an Instructional Media Systems Technician at CTE. In this role he installs and maintains the digital presentation systems used in shared learning spaces, as well as providing on site support to faculty and staff.

Lucas received his bachelor's degree at SIUC in Radio, Television, and Digital Media with a specialization in Audio Production in 2018. Lucas went on to do freelance audio work for a few years before starting in his position at CTE in August of 2022.

In his free time, Lucas enjoys watching movies, creating music, and drinking Dr. Pepper.
